

BUYING GUIDE

BILLY

Bookcase series

SAFETY

We recommend you secure your furniture to the wall using the restraints provided in the packaging. This way you can prevent furniture tip over accidents when children climb or hang on drawers, doors or shelves.

Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home (not included).

Tempered glass should be handled with care! A damaged edge or a scratched surface can cause the glass to break suddenly. However, only into small pieces, never into sharp fragments.

BILLY for book lovers

This is BILLY! Our most versatile bookcase system. It can be the start of your own library, where your books are protected and you feel inspired to read. BILLY comes in several heights and widths, finishes and materials to suit all books and rooms. When your library grows, you can add extra shelves and height extension units to suit your needs.

Better and better, day by day

BILLY bookcase was born in 1979 and soon became a popular favorite. But, you should never take an old friend for granted, which is why we're constantly working to improve the details and make the bookcase even better. Some improvements are hardly noticeable, while others you can see right away. Like now, when we have made BILLY more durable, improved the finish and made the shelves even stronger.

COMBINATIONS

Glass doors keep your favorite items free from dust but still visible. Adjustable shelves; easy to adapt according to your needs.

Overall size: 80×202 cm

BILLY white, MORLIDEN door.

This combination: (490.178.29)

Display your favorite books! Two bookcases may be all you need – or the perfect foundation to build on when your library grows.

Overall size: 160×202 cm

BILLY white.

This combination: (790.178.37)

Panel/glass doors provide dust-free storage and let you hide or display your things. Adjustable shelves; easy to adapt according to your needs.

Overall size: 160×202 cm

BILLY white, OXBERG white panel/glass door.

This combination: (390.477.37)

The BILLY bookcase is an expert at books. Its best friend GNEDBY is good at storing more modern media, such as CDs and DVDs. Together, they help you to keep your home organized. Naturally, they have the same color and design, like two peas in a pod.

Overall size: 200×202 cm

BILLY white.

This combination: (990.178.36)

Create your own unique library, varying in color, choice of doors and number of shelves according to your taste and needs. You can display your favorite books in many ways, and even combine both glass doors and open shelves. With a height extension unit you can make the most of the space for practical storage. And there are glass doors available for height extension units, too.

Overall size: 200×237 cm

BILLY white, OXBERG glass door.

This combination: (490.178.34)

With BILLY corner fittings you can easily build a corner solution using the classic bookcase. Start by putting a 40 cm wide bookcase in the corner. The fittings will help you to put the shelves at the right angle and make the solution both tight and stable. With a height extension unit the wall surface is utilised maximally, while floor space is cleared.

Overall size: 100×180×237 cm

BILLY white.

This combination: (590.178.38)
